CLAIM INFORMATION

Notice of Claim. Notice of claim should be sent to Unum within 90 days after the Date of Diagnosis for which a benefit is claimed or the date of Covered Loss for which a benefit is claimed, or as soon as is reasonably possible. If notice is not reasonably possible to provide within 90 days, it must be given no later than one year after the time notice of claim is required. These time limits will not apply during any time period You or Your authorized representative lacks the legal capacity to give Unum notice of claim. Notice should be sent to Unum at Our home office. If You submit a claim before notification of Unum's decision on any coverage amount requiring Evidence of Insurability, the amount of coverage applicable to the claim will be determined as if Unum's final underwriting decision had been made prior to the Date of Diagnosis or date of Covered Loss.

Claim Forms. When Unum receives a notice of claim, claim forms will be sent for filing proof of claim within 15 days. If claim forms are not sent within 15 days, the proof of claim requirements will be met if We receive a written statement of the nature and extent of the loss as required in the proof of claim section. Claim forms are also available from Your Employer.

Proof of Claim. Proof of claim must include documentation furnished by a Physician and supported by clinical, radiological, histological, pathological, and/or laboratory evidence. It may also include one or more of the following: a Physician's bill, a Hospital bill, or other proof of charges.

If it is not reasonably possible to give proof of claim within 90 days after the Date of Diagnosis for which a benefit is claimed or date of Covered Loss for which a benefit is claimed, it must be given no later than one year after the time proof of claim is required. These time limits will not apply during any time period the Insured or the Insured's authorized representative lacks the legal capacity to give Unum proof of claim.

Time of Payment of Claims. After Unum receives, evaluates and processes proof of claim, Unum will pay any benefits due.

Payment of Claims. Benefits will be paid to You unless such benefits have been assigned. If You are not competent, Unum can pay up to \$2,000 to the person or institution that appears to have assumed Your custody and main support. Any accrued benefits unpaid at Your death will be paid to the named beneficiary, if any, otherwise to Your estate. Unum will be discharged to the extent of any such payment made in good faith.

Overpayments. Unum has the right to recover any overpayments due to:

- fraud; and
- any error We make in processing a claim.

You must reimburse Us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount We paid You.

Unpaid Premium. Any unpaid premium due for Your coverage under this policy may be recovered by Us by offsetting against amounts otherwise payable to You, Your

beneficiary, or Your legal representative(s) under this policy, or by other legally permitted means.

Assignment. The rights provided to You by the policy are owned by You, unless You assign Your rights under the policy to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by You, and acceptable to Us in form; and
- a signed or certified copy of the written assignment has been received and registered by Us at Our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the policy provisions before receiving and registering an assignment.

Physical Examinations and Autopsy. We can require that the Insured be examined by a Physician of Our choice at Our expense as often as it is reasonably necessary while a claim is pending. In case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

It is a crime if You knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

Contestability of Statements in Application or Evidence of Insurability. Unum considers any statements You make in a signed application or Evidence of Insurability form, or that Your Employer makes in the application process, a representation and not a warranty. If any of the statements You or Your Employer make are not complete and/or not true at the time they are made, We can:

- reduce or deny any claim; or
- cancel Your coverage from the original effective date.

As a basis for doing this, We will use only statements made by the Employer in the application process or statements made by You in a signed application or Evidence of Insurability form.

Except in the case of fraud, Unum can take action only in the first two years any Insured's coverage is in force.

If the Employer gives Unum information about You that is incorrect, Unum will:

- use the facts to determine if You have coverage under the policy according to the policy provisions and in what amounts; and
- make a fair adjustment of the premium.

Employer as Agent. For purposes of this policy, the Employer acts on its own behalf or as the Employee's agent. Under no circumstances will the Employer be deemed the agent of Unum.

Communicating with You or Your Employer. Unum may provide notices, information and other communications to You or Your Employer in written, electronic or telephonic form.

- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its Employees;
- Unum provides 31 days notice at any time after the Initial Rate Guarantee for any reason; or
- Unum is notified of a change in Federal or State Law materially affecting the policy.

If Unum cancels or modifies this policy, for any of the reasons listed above, a written notice will be delivered to the Policyholder at least 31 days prior to the cancellation date or modification date. The Policyholder may cancel this policy if the modifications are unacceptable.

If any premium is not paid during the 31 day Grace Period, this policy will cancel automatically at the end of the Grace Period. The Policyholder is liable for premium for coverage during the Grace Period. The Policyholder must pay Us all premiums due for the full period this policy is in force. In the event of termination, this policy may be reinstated only as agreed upon by Unum and the Policyholder. If Unum agrees to reinstate this policy, such reinstatement will not constitute waiver of the termination provision in the future.

The Policyholder may cancel this policy by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Policyholder and Unum agree, this policy can be cancelled on an earlier date. If Unum or the Policyholder cancels this policy, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is cancelled, the cancellation will not affect a Payable Claim.

- there is medical evidence to support the diagnosis; and
- a Physician is treating the Insured for Cancer and/or Carcinoma in Situ.

Coma as the Result of Severe Traumatic Brain Injury means a coma resulting from a severe traumatic brain Injury that results in a continuous state of profound unconsciousness lasting for a period of 14 or more consecutive days, characterized by the absence of:

- eye opening;

- motor response.

The condition must require intubation for respiratory assistance.

Coronary Artery Bypass Surgery means Heart Disease or Angina that has been clinically diagnosed and requires the Insured to undergo Coronary Artery Bypass Surgery, which is a surgical procedure to bypass a narrowing or blockage of one or more coronary arteries utilizing venous or arterial grafts. Coronary Artery Bypass Surgery does not include percutaneous coronary intervention (balloon angioplasty, stent implantation or related procedures to increase the flow of blood through the coronary arteries).

Critical Illness(es) means Benign Brain Tumor, Blindness, Cancer and Carcinoma in Situ, Coma as the Result of Severe Traumatic Brain Injury, Coronary Artery Bypass Surgery, End Stage Renal (Kidney) Failure, Heart Attack (Myocardial Infarction), Major Organ Failure, Permanent Paralysis as the result of an Injury, and Stroke as defined in this policy. For Dependent Children, Critical Illness also means Cerebral Palsy, Cleft Lip or Palate, Cystic Fibrosis, Down Syndrome and Spina Bifida.

Cystic Fibrosis means a definite diagnosis of Cystic Fibrosis by a licensed pediatrician or pulmonologist where the Dependent Child has chronic lung disease and pancreatic insufficiency. The diagnosis of Cystic Fibrosis made via a sweat test should be based upon sweat chloride concentrations greater than 60 mmol/L.

Date of Diagnosis for Critical Illness is:

- for Benign Brain Tumor, the date of diagnosis of the Benign Brain Tumor by examination of tissue (biopsy or surgical excision) or specific neuroradiological examination;
- for Blindness, the date the ophthalmologist makes an accurate certification of blindness as defined in the Blindness definition;
- for Cancer or Carcinoma in Situ, the date the tissue specimen, blood samples and/or titer(s) are taken on which the diagnosis of Cancer or Carcinoma in Situ is based. If a Pathological Diagnosis cannot be made because it is medically inappropriate or life-threatening, Unum will accept a Clinical Diagnosis;
- for Cerebral Palsy, defined as a group of disorders of the development of movement and posture causing activity limitation, that are attributed to progressive disturbances that occurred in the developing fetal or infant brain, the date of diagnosis of Cerebral Palsy is the date a licensed pediatrician or neurologist diagnoses Cerebral Palsy after live birth;
- for Cleft Lip or Palate, the date of diagnosis of Cleft Lip or Palate (unilateral or bilateral clefting) by Physician after live birth;
- for Coma as the Result of Severe Traumatic Brain Injury, the date a Physician confirms a Coma as the Result of Severe Traumatic Brain Injury lasting 14 or more consecutive days;
- for Coronary Artery Bypass Surgery, the date the Coronary Artery Bypass Surgery occurs;

- for Down Syndrome, the date of diagnosis of Down Syndrome through the study of the 21st chromosome revealing Trisomy 21, Translocation or Mosaicism after live birth;
- for End Stage Renal (Kidney) Failure, the date the Insured's Physician recommends the Insured begin renal dialysis;
- for Heart Attack (Myocardial Infarction), the date that the ischemic death of a portion of the heart muscle occurred based on the criteria listed under the Heart Attack (Myocardial Infarction) definition;
- for Major Organ Failure, the date that the Insured is placed on the UNOS list for transplantation;
- for Permanent Paralysis as the result of an Injury, the date Permanent Paralysis continuing for a period of 90 consecutive days is confirmed by the attending Physician or immediately if the spinal cord is completely and irreparably transected;
- for Spina Bifida, the date of diagnosis of Meningocele or Myelomeningocele Spina Bifida by a Physician familiar with the diagnosis and/or treatment of Spina Bifida after live birth;

Down Syndrome means diagnosis of Down Syndrome through study of the 21st chromosome. Diagnosis must be confirmed by a licensed pediatrician or another Physician familiar with Down Syndrome diagnosis.

Down Syndrome includes:

- Trisomy 21 - An individual has three instead of two number 21 chromosomes.

- Translocation - An extra part of the 21st chromosome is attached to another chromosome.
- Mosaicism - The individual has an extra 21st chromosome in only some of the cells but not all of them. The other cells have the usual pair of 21st chromosomes.

End Stage Renal (Kidney) Failure means chronic irreversible failure of the function of both kidneys such that regular hemodialysis or peritoneal dialysis is required to sustain life.

Heart Attack (Myocardial Infarction) means there is an identifiable clinical event consistent with a heart attack:

- which is defined as having two of the following three:
 - typical chest pain;
 - electrocardiographic (EKG) changes indicative of Myocardial Infarction; in the case of Myocardial Infarction associated with percutaneous coronary intervention (balloon angioplasty, stent implantation, and related procedures to increase the flow of blood through the coronary arteries), evolving ST elevations or new Q wave changes must be documented and included as one of the criteria on establishing a diagnosis; or
 - elevation of biochemical markers of myocardial necrosis;
- and that results in some permanent functional loss of heart contraction detectable by a regional contraction abnormality study on an imaging study.

In the event of death, an autopsy confirmation and/or death certificate identifying Myocardial Infarction as the cause of death will be accepted.

Major Organ Failure means diagnosis of major organ failure of the liver, both lungs, pancreas, or heart resulting in the Insured being placed on the UNOS (United Network for Organ Sharing) list for a transplant.

If an Insured is on the UNOS list for a combined transplant (example: heart and lung); a single benefit will be paid.

Only one Major Organ Failure benefit will be paid per Insured.

Pathological Diagnosis of Cancer or Carcinoma in Situ is based on a microscopic study of fixed tissue or preparations from the hemic (blood) system. This type of diagnosis must be done by a certified Pathologist whose diagnosis of malignancy is in keeping with the standards set up by the American Board of Pathology.

Pathologist means a Physician who is licensed to practice pathological anatomy by the American Board of Pathology. A Pathologist also means an osteopathic pathologist who is certified by the Osteopathic Board of Pathology.

Permanent Paralysis as the result of an Injury means the complete and permanent loss of the use of two or more limbs through paralysis for a continuous period of 90 days as confirmed by a Physician.

In the case of a transected spinal cord with supporting clinical and radiological evidence and no expectation of return of function, the continuous 90 days requirement specified above is waived.

Spina Bifida means a confirmed diagnosis of either of the following types of Spina Bifida:

- Meningocele - The protective coatings (meninges) come through the open part of the spine like a sac that is pushed out. Cerebrospinal fluid is in the sac and there is usually no nerve damage. Individuals may suffer minor disabilities. New problems can develop later in life; or
- Myelomeningocele - This occurs when the meninges (protective covering of the spinal cord) and spinal nerves come through the open part of the spine. This is the most serious type of Spina Bifida, which causes nerve damage and more severe disabilities.

Diagnosis must be made by a licensed Physician familiar with Spina Bifida.

This policy excludes spina bifida occulta.

Stroke means a cerebrovascular incident including infarction of brain tissue, cerebral and subarachnoid hemorrhage, cerebral embolism and cerebral thrombosis. The diagnosis must be supported by:

- evidence of persistent neurological deficits confirmed by a neurologist at least 30 days after the event; and
- confirmatory neuroimaging studies consistent with the diagnosis of a new Stroke.

The following are not to be construed as a Stroke for purposes of this policy:

- transient ischemic attack;
- brain Injury related to trauma or infection;
- brain Injury associated with hypoxia, anoxia or hypotension;
- vascular disease affecting the eye or optic nerve; and
- ischemic disorders of the vestibular system.

In the event of death, an autopsy confirmation and/or death certificate identifying Stroke as the cause of death will be accepted.

Benefit Payment Conditions for Critical Illness

If, while the Insured's coverage is in force, the Insured is diagnosed with a Critical Illness by a Physician, Unum will pay a benefit subject to the benefit payment conditions listed below and the Critical Illness Benefit Reduction provision. Once a Critical Illness has been diagnosed and a benefit has become payable for that Critical Illness, a benefit for a separate and subsequently diagnosed Critical Illness will not be payable unless that subsequently diagnosed Critical Illness is medically unrelated to the previously diagnosed Critical Illness and separated by a period of 90 days. Only one initial diagnosis benefit will ever be paid per Critical Illness per Insured.

Unum will pay benefits for the Critical Illnesses listed below if:

- the Date of Diagnosis is while the Insured's coverage is in force under the policy; and
- payment is not precluded by any general or specific exclusion or limitation set forth in this policy or any failure to meet any condition set out in the policy.

For purposes of this policy, each Critical Illness will not be considered an ongoing illness. This policy will consider each Critical Illness to begin and end on the Date of Diagnosis for Critical Illness.

If any Dependent Children are insured as more than one Employee's Dependent Children, Unum will only pay benefits under one of the Employee's coverage. You may choose which Employee's coverage that benefits will be paid under by sending Unum written notice of Your choice.

No Pre-existing Condition Limitation will be applied for Dependent Children who are born or adopted while You are covered under this policy, and who are continuously covered from the date of birth or adoption.

Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following provisions are part of the Plan. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

This coverage may be provided under a Plan that provides other benefits as well. Contributions to the Plan are made as stated under your certificate of coverage. The contributions made by you and your Employer, if any, for this coverage may be used by the Plan to provide any of the benefits under the Plan. The Employer is ultimately responsible for paying any difference between the total cost of benefits under the Plan and the amounts you and other employees contribute.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;

- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;

- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.
